

FRATERNAL LEADER
SUCCESS PLANNER

2018 - 2019

Fraternal Education, Training and Ceremonials

Welcome Newly-Elected and Re-Elected Fraternal Leaders!

We invite you to take leadership training courses to help you grow in your role as a fraternal leader during the 2018-2019 fraternal year and to also help propel your council to further success.

If you do not have access yet to the Fraternal Training Portal (**kofc.org/fraternaltraining**), which is available on the secure area of kofc.org, you can still register and take training courses via our **Open Enrollment Microsite!**

This website gives any council officer or member the opportunity to take any of the courses currently available. There are no restrictions; any member can take any or all courses available and print a Certificate of Completion upon completion of their training. Best of all, the microsite is accessible at your convenience 24 hours per day, 7 days per week.

The Open Enrollment Microsite currently delivers the District Deputy, Grand Knight, Deputy Grand Knight and Financial Secretary baseline fraternal leadership training. Personal Recruitment Skills and Council Officer Training are also available.

kofc.org/trainingmicrosite

A screenshot of the 'Open Enrollment Microsite' interface. The background is a dark blue gradient with a hand pointing at a screen. The text 'NEED HELP getting started?' is prominently displayed. Below it, contact information is provided: 'PHONE: 203-752-4270 option#3' and 'EMAIL: fraternaltraining@kofc.org'. The main content area features the 'Fraternal Mission - Educational and Training' header, followed by 'Open Enrollment Microsite' and a three-step process: '1. Choose a training course(s)', '2. Enroll', and '3. Get Started'. Six buttons with icons represent training courses: 'DISTRICT DEPUTY', 'FINANCIAL SECRETARY', 'GRAND KNIGHT', 'COUNCIL OFFICER new arrival', 'DEPUTY GRAND KNIGHT', and 'PERSONAL RECRUITMENT SKILLS'. The 'KNIGHTS OF COLUMBUS' logo is in the top left corner.

Worthy Fraternal Leader:

At every level, the fraternal leader is to act in the capacity of both a catalyst and resource enabling each council to achieve sustainable membership growth. He will provide opportunities for faith formation and leadership development so that our members will effectively serve their parish and community. As a fraternal leader in your council, district or jurisdiction, use this Fraternal Leader Success Planner to help you make good use of your time and focus your action. Staying active will help every council bridge their fraternal years and increase their charitable outreach. Additionally, each district deputy should encourage activities that enable councils to provide charitable outreach opportunities.

Use this Success Planner to:

- Plan ahead to communicate clearly
- Keep on track with the vision and mission of the Order
- Determine what needs to be done immediately, planned and promoted in the coming weeks and months ahead in order to achieve success
- Measure your progress and determine the changes needed to chart a more successful course
- Seek opportunities to integrate membership, programming and charitable activities.

When you need assistance, always consult with other fraternal leaders in your area first. If you require additional assistance, the Fraternal Mission Department can help. You may reach us at 203-752-4270 (Option #1 Programs, Option #2 Membership, Option #3 Fraternal Training & Ceremonials) or via email, fraternalmision@kofc.org. Additional information can be found on our website, kofc.org.

Fraternally yours,

Fraternal Mission Department

Membership and Program Planning At-A-Glance

This page provides a guide of when to order, promote, and conduct council activities that have traditionally been held at certain times of the fraternal year. Keep in mind that many programs, such as Food for Families, Family Fully Alive, RSVP, Ultrasound Initiative, and "Into the Breach" can be promoted and conducted all year. Councils can also partner with these organizations: Special Olympics, Global Wheelchair Mission, Habitat for Humanity. Your council should recruit new members throughout the year and conduct a First Degree on a monthly basis.

“Let us all as Knights redouble our efforts as men of faith – and men of action based on that faith.”

Carl Anderson, Supreme Knight

Program Spotlight: *Into the Breach*

Bishop Thomas Olmsted wrote his exhortation, “Into the Breach” to address the growing challenges and trends affecting masculinity and spiritual life. “Into the Breach” is a call to action for all Knights. The Supreme Council has partnered with Bishop Olmsted to reach a wider audience through the Catholic Information Service’s Veritas series. This booklet (CIS item #340) features a companion reflection guide to help every council promote a reading and discussion of masculinity and courage among the men of their parish. “Into the Breach” is an opportunity to open wide our council doors and invite more of our fellow parishioners to join the Knights of Columbus in strengthening Catholic men and families.

Program Spotlight: *Family Week*

Knights of Columbus Family Week is a special opportunity for our Order to celebrate and emphasize the importance of the family through programs that support the Church and the parish, and unite Knights and Squires with their families, as well as the community at large. These programs should be fun and enjoyable for all, but also meaningful in their message and purpose. Our celebration of the family shouldn't be a private matter. Open it to nonmembers, prospects, parishioners, friends, priests, religious and everyone else in your community. Advertise your events and show the world that families are the backbone of communities and the Knights of Columbus. For more ideas visit kofc.org/familyweek

Fall and spring are the traditional “Parish Festival Season” and your councils are a key part of these major fundraisers. Your labor and support will make a festival profitable, and ensure your parishes continued financial stability. Now is the time to recruit and then put the new members to work for the benefit of the parish.

This is the traditional time when people finish up the “move”. Whether they are college graduates, or starting new jobs, they now start going to their new parishes. They have moved into their new houses, the kids are starting at new schools and are getting settled. Welcome them and help them be a part of your council and Catholic community.

Program Spotlight: Marian Icon Prayer Program

Continuing a decades-long tradition, the Knights of Columbus will launch their 18th international prayer program this August. The program features a Marian icon that travels throughout each jurisdiction, providing the centerpiece of prayer services conducted in churches and council meeting places throughout the Order. To date, these programs of Marian Prayer have gathered together more than 16 million people at some 140,000 prayer services. Program books and prayer cards will be available upon request. For more information, visit kofc.org/marianprogram.

Program Spotlight: *Family Fully Alive*

The Family Fully Alive program provides monthly themes, reflections, meditations and family projects designed to help each family place God and the Catholic faith at the center of their lives. Through prayer and reflection, each family has the opportunity to grow in holiness together. Councils should order the full printed program book for families to use at home and speak with their pastors about launching a parish program. The Family Fully Alive program can be used as a devotional for all families throughout the liturgical year. Full details and resources are available at kofc.org/familyfullyalive.

We take this time to be thankful for what we have, and what our nation has provided for us. We are thankful to be Catholic, and be able to practice our faith freely. We also thank and recognize those who have protected our freedoms. Hold a degree in honor of them. Those who are still active military or first responders can protect their children with the Matthews and Swift Educational Trust Fund, among many other fraternal benefits.

Membership Spotlight: *Food for Families*

Statistics show that one in four children in the United States, one in six children in Canada, and 66 million children worldwide go to bed hungry every night. Knights of Columbus councils answer the call to help feed hungry people through our Food for Families Initiative. To help combat hunger, local councils conduct food drives, donate many hours volunteering, and make monetary donations to food banks, soup kitchens, and pantries.

Visit kofc.org/food for more information on the Food for Families program, especially the financial incentives the Supreme Council offers to participating councils.

Give the gift of membership.

What is the gift of membership? It's knowing you are part of something bigger than yourself. It's knowing your contributions count for something. When the Supreme Knight talks about the millions of dollars or the millions of service hours, remember this started with one man, working one hour or donating one dollar.

We are like drops of rain and when we come together, we change our community and the world. Another gift of membership is being part of a large family of Knights. We eat together, we pray together and for each other. In this time of Advent, think of the gifts you have given to the Knights and the gifts the Knights have given to you. Give the gift of membership.

The new year is upon us. How many of us made resolutions to be better, whether it's eating, spending money, exercising, or hopefully, being a better servant of God? How do we keep our resolution? Well, for us, we make sure we work programs, and get active in our local councils. Now I ask you to make another resolution. Help another person keep their resolution to be a better servant. Ask a man to join, and make sure you get him involved in our programs.

Program Spotlight: *Holy Hour*

“So could you men not keep watch with me for an hour?” (Matthew 26:40)

The Eucharist is the source and foundation of the principles of our Order: Charity, Unity and Fraternity. As Knights we have a duty to promote devotion to Jesus in the Most Blessed Sacrament.

Time spent together in prayer is essential to building our bonds of fraternity. Councils are encouraged to conduct frequent Holy Hours and work with their chaplains to make time for adoration available more frequently to men and their families. Holy Hours also provide opportunities for preaching, faith formation, and intercessory prayer on behalf our parish and our families. Visit kofc.org/holyhour for additional information and resources.

Once again, we are moving into another busy time of year. We prepare for Lent and the Easter season. RCIA, (Have you visited the class to talk to the new Catholic men about joining?) CCD, First Communion and all religious education classes are finishing up. We have much work ahead of us that is needed for upcoming occasions: Color Guard events, helping with luncheons, and the Lenten Fish Fry season. So let's not do-it-alone again this year. Recruit a helper – from a First Degree member to Fourth Degree – everyone needs helpers, and sooner than you think. Act now to make sure you have enough help for the work ahead.

We are in the Lenten season, a time the church asks us all to renew our faith and commitment to God. The Knights of Columbus offers the perfect solution, through service, charity and faith programs. Go out and help a Catholic man to renew, but don't stop there. Invite a suspended or withdrawn Knight back home. Ask an inactive man to give just one hour in service to God this year. Ask an active member to consider serving more by taking a leadership role. Have your recruiters' table at every fish fry, every soup dinner and every Knights sponsored Lenten activity to ask someone to join.

Program Spotlight: *Good Friday*

On Good Friday, through the Liturgy of the Lord’s Passion and Death, we are invited to remember Christ’s sufferings. The day commemorates Christ’s conquering of death through his passion and resurrection, thereby opening the gates of heaven for each of us.

As we come to the conclusion of the Lenten season, every council is asked to encourage brother Knights and their families to attend the Good Friday liturgy in their parish.

Let your parishes know of the liturgy’s importance and how its commemoration can strengthen each family as a domestic church.

Another idea would be to partner with the parish to help lead a Stations of Cross liturgy on Good Friday before or after the Liturgy of the Lord’s Passion and Death. If your parish doesn't already pray the Stations together, ask your pastor if he would consider adding it to the parish calendar. The prayers, meditations and hymns for the devotion can be found in *The Way of the Cross: Traditional and Modern Meditations* (#363), available online at kofc.org/cis.

Easter is here, and so are new Catholic members. One pitfall to every Catholic member or convert, is not being involved in the Catholic community. The Knights of Columbus are the answer to this. Every man in RCIA should be asked to join and be brought into the largest lay Catholic organization in the world. Our programs invite all Catholics to join together and show the true face of Christ's love to non-Catholics. Think about this, if a woman joins our faith, but her husband or family does not? Could we be the evangelizing force? Let's get out and ask those men to join, and provide them and their families with a multi-faceted Catholic support system that is desperately needed in today's world.

Persecuted Christians in the Middle East have been forced to flee the homeland they have occupied since Biblical times. In 2014, the Knights of Columbus responded by setting up the Christian Refugee Relief Fund which directs 100% of donations to humanitarian assistance for these Christians and other religious minorities in the Middle East. May is the time when the youth transition from being a child to being an adult. Young men are graduating from high school and are coming-of-age. Some will go to college, some will join our military, and some will go to work. Ask them to join now and give them the benefits that all men, especially young men, deserve. In the working world, opportunities exist for networking and mentoring. Knight's leadership opportunities can be listed on a resume. As young men go away to college, a great way to stay connected to the Catholic community is through joining the college council or local council. Perhaps even a home-away-from-home, an adopted parent, grandparent or friend from the local council can help make those connections and informed decisions.

Carl Anderson, Supreme Knight

Program Spotlight: Special Olympics

The Knights of Columbus commitment to Special Olympics and to hundreds of grassroots programs for people with intellectual and physical disabilities is an expression of our belief in the intrinsic worth of every human being.

The Knights of Columbus believe that the Special Olympics are nearly unparalleled in their ability to show the intrinsic worth and dignity of every single human being. These games don't just build strength and character in the athletes and participants; it only takes a few moments with the competitors to be inspired by the force of their determination, and the true sense of God's love.

Although the Special Olympics have grown in recent years, they still need our continued support. We encourage chapters and parishes around the world to organize fundraisers, events, and donation drives that will continue to benefit this magnificent event. The Special Olympics are too wonderful to overlook, and the Knights of Columbus are committed to bringing the games to all corners of the globe.

Membership Ideas

Finish your fraternal year right and recruit a man. Start mentoring him for next year. In addition to this, many are taking well-earned vacation, but what about those who can't afford it, such as young families or older individuals? This is the perfect time to offer them the opportunity, through their local Knights of Columbus council, of taking part in our programs that can offer the needed fun and fellowship. Our programs are needed more than you think.
